General Tips	Frequently Asked Questions
<ul style="list-style-type: none"> • Start Early: The sooner you begin, the more you'll raise and the less pressure you'll feel • Promote your fundraising page: Place the link of your online appeal created on India Cares website to your FaceBook/ Twitter/ Blog/ LinkedIn/ etc. • Your closest contacts: are who will start to give, both, contributions and references. • Set yourself a higher target: Donors may assume you don't really need their donation if your target is average. The higher the target, the more likely donors donate and give generously.. • Draft template letters: that you can send out to all your contacts (you can use the samples provided here). • Donors respond positively when the 'Why' is clear: Explain why the cause is meaningful to you even if you don't have a personal connection to the cause, explain how their donation will make a difference • Stay Focused! Remind yourself everyday why you are fundraising and participating in ADHM • Ask, Ask and Ask again - People need to be reminded • Send out a Thank You email to your donors for helping you reach your goal. • Donation cheques should be made out in the name of your chosen CSO. Donors will receive 80G tax exemption as applicable from the CSO. 	<ol style="list-style-type: none"> 1. Who Should You Ask? Everyone! Create a list of potential donors (i.e. family, friends, co-workers, neighbors, classmates, clients etc.) Ask for referrals. 2. What Should You Tell the Donors? Tell them about your cause, impact the contribution will have and tax exemptions are part of it 3. How Much Do You Ask For? Whatever is possible! Give a specific range e.g. Rs 500,1000,1500 etc. 4. When do I need to submit the funds I have raised? All funds adding up to the committed amount must be submitted by 15th September 2018. In case you submit to the CSO/ NGO, keep photocopies for India Cares, you can continue raising funds till 30th October 2018. 5. What do I do for donors who keep delaying the donations? <ul style="list-style-type: none"> ○ Firstly accept that it happens. It's very common for people to put things off. We all live busy lives and have a lot of other responsibilities on our plates. ○ If someone has indicated that they want to donate, but hasn't, don't hesitate to follow-up with a phone call or reminder email. Especially as the time you have to fundraise for the event runs down. People respond to deadlines! ○ Keep telling people about your target and the timeline you have to get there. ○ Include progress updates in your follow up messages and consider including any inspiring stories or personal anecdotes you have about the cause. ○ Remember to continue using social media! - it's more acceptable to frequently post updates 6. How do I make my mailer more effective? Include in your mail asking for donation in the first paragraph, which focuses on the donor's benefit of donating. Talk about the project you are fundraising for, give some stats for reference. Use a photo to convey better.

Remember You are NOT asking for money for yourself —it's for the cause YOU have chosen! Donors don't give to institutions. They invest in ideas and people in whom they believe.
