| General Tips | Frequently Asked Questions |
|--|--|
| <ul style="list-style-type: none"> • Make a list. - Put together a list of friends, family, co-workers, work out buddies, family doctor, club members etc... (i.e. potential donors). • Always keep your fundraising sheet with you. Place the link of your online appeal on India Cares website to your FaceBook/ Twitter/ Blog. • Initially your closest contacts are the ones most likely to donate, and give references. • Set yourself a target and make it known – as you make progress towards your fundraising goal people become more and more likely to donate to you • Draft template letters that you can send out to all your contacts (you can use the samples provided here). • Donors respond positively if they know how their donation will help. • When you're writing/ talking to your contacts remember the reason why you are supporting this cause, bring that same energy to your fundraising efforts. • Stay Focused! Remind yourself everyday why you are fundraising and participating in ADHM • Ask, Ask and Ask again - People need to be reminded • Send out a Thank You email to your donors for helping you reach your goal. • Donation cheques should be made out in the name of your chosen CSO. Donors will receive 80G tax exemption as applicable from the CSO. • Reach out to all your Alumni/ Teachers/ Faculty - they can also refer more people to help you go beyond your target | <ol style="list-style-type: none"> 1. Who Should You Ask? Everyone! Create a list of potential donors (i.e. family, friends, co-workers, neighbors, classmates, clients etc.) Ask for referrals. 2. What Should You Tell the Donors? Tell them about your cause, impact the contribution will have and tax exemptions are part of it 3. How Much Do You Ask For? Whatever is possible! Give a specific range e.g. Rs 500,1000,1500 etc. 4. When do I need to submit the funds I have raised? All funds adding up to the committed amount must be submitted by 5th October 2018. In case you submit to the CSO, keep photocopies for India Cares, you can continue raising funds till 20th October, 2018. 5. What do I do for donors who keep delaying the donations? <ul style="list-style-type: none"> ○ It's very common for people to put things off. We all live busy lives and have a lot of other responsibilities on our plates. A little reminder nudge never hurt anyone. ○ If someone has indicated that they want to donate, but hasn't, don't hesitate to follow-up with a phone call or reminder email. Especially as the time you have to fundraise for the event runs down. People respond to deadlines! ○ Include progress updates in your follow up messages and consider including any inspiring stories or personal anecdotes you have about the cause. ○ Remember to continue using social media! - it's more acceptable to frequently post updates 6. How do I make my mailer more effective? Include in your mail asking for donation in the first paragraph, which focuses on the donor's benefit of donating. Talk about the project you are fundraising for, give some stats for reference. Use a photo to convey better. |

Remember you are **NOT** asking for money for yourself —it's for the cause you have chosen! Every rupee you collect makes a difference! Be creative and remember to have fun!
