Fundraising Guide

An iCare fundraiser is an individual who uses the philanthropy platform of the TCS World 10K Bengaluru and raises funds of any amount in support of a CSO or cause he or she chooses. Donation amounts can be raised with the help of pledge/ fundraising kits. Pledge kits will be available for download from the India Cares' website. The easiest way to get started is to click the [Start Fundraising](#) button on the event or CSO page, select the iCare category and create a page with a heartfelt message.

What an iCare fundraiser can look forward to:

- Perhaps visit us; but we will certainly answer your telephone calls; and help in anyway we can.
- Recognition on the India Cares website to the top 10 iCare runners in the race month, i.e. May 2019.
- Top two iCare runners will be recognized at the post event press meet, the minimum threshold to be considered for this award is Rs 1,00,000/-.

"There is nothing quite like it!"

Here are some tips for you:

- Dedicate your efforts to a specific cause/ CSO (Civil Society Organisation) and raise funds for them. By conveying why you have personally invested in this cause, you help your potential donors realize the true impact of the CSO and its work.
- Because relationships matter, don't rush your fundraising asks. But put emphasis on the event date, the end date of raising funds, and for making donations.
- Be enthusiastic and positive! Talk about the "World 10k Bengaluru 2019", an event demonstrating your passion and dedication to this worthy cause. Enthusiasm is contagious!
- Ask, ask, ask and ask! Aim high. Even you might not know, that your donors are capable of making a large donation Always be ready to ask for a specific amount.
- After you make your ask, stop talking, even if it seems uncomfortable. Don't say a word. Let the donor be the next person to speak.
- **Understand that there will be "No's":** And that's ok! **But Expect a "Yes":** Attitude matters in fundraising.
- Do not forget to personally thank your donors. With their help, you will change lives!

Who to ask? This is the time to ask **everyone** you know, even remotely so, to support you now. Here are some suggestions and some people for you to approach:

- Send an email or a letter to everyone through your address book
- Friends; Family
- Co-workers
- Favorite local restaurant owner
- Any favorite local shop that you frequent often
- Your doctor, dentist or lawyer
- Your teammates or gym buddies
- Your hairdresser or barber
- People at your place of worship

Using your Social Networking Sites (SNS) to ask..

Are you on Facebook, Twitter, LinkedIn or on some other social network sites? These can be valuable tools for recruiting team members and raising funds! Be sure to send out the link to your personalized fundraising page!

* (Once you create your online appeal page at India Cares website, you can copy a widget and place it on your networking pages and also ask others whom you know to do the same).

Additional ways you can get your cause and CSO noticed

- ASK if you can share a note from the CSO at your Apartment/CLUB/Workplace
- Discuss with your organisation's HR if you can run an internal campaign
- Introduce interested friends and family to run for the CSO

Tips for Successful Letter/ Email Composition

- Write a short letter!
- Share something personal about yourself. Like, what made you choose the specific CSO.
- Include your fundraising goal and ask for a specific amount.
- Provide facts about important work being done by the CSO you believe in.
- Tell people you approach that donations are tax deductible and cheques should be made payable to the CSO you are supporting.
- Include a link to your personal Website/ Appeal page so that donations can be made online.
- Ask everyone to donate straight away - but latest by **13 May 2019**.
- Mail your letter to family members, friends, co-workers, and business associates. Be sure to look at your holiday card mailing list too!
- Send thank you notes (after the Run) to everyone who donates through you.

A few ideas to encourage donors to give:

- Ask if they can, just once, give up on something – a movie, manicure or dinner at an expensive restaurant – and contribute towards your cause.
- Host a fundraising party and ask attendees to buy your homemade dinner as their support.
- Create a buddy system. Ask someone who cannot join you on run day to help you collect donations
- Ask your company, they could even match what you raise! And other companies to conduct a event for their employees and ask for donations to participate.
- Take your fundraising letter and share the information **everywhere** you go.
- Ask two persons a day to donate for your Run for the next two months.
- Ask your friends to contribute for your cause instead of purchasing a gift for your birthday, anniversary or any occasion.
- Ask five to ten people to save their change for you for a month. Give them decorated buckets to keep the change in. Hold a “counting party” at the end of the month.

The India Cares online transaction system will automatically send a donation confirmation email to the donor's account, when the transaction goes through. Attached to the confirmation email will be an e-receipt for tax purposes. For more queries please write to tcsworldk@icfn.in

Organizations submit a utilization report to India Cares about how the funds raised in the TCS W10k Bengaluru 2017 have been used. The CSOs registered for the event are accountable to their donors.

7. What tax exemptions will I get?

All online donations will receive a 80G tax exemption, within an hour after donation. For offline donations please collect your donor's full name, address, PAN number for the CSO to send the receipts.

8. How do I know that CSO I want to donate to has valid 80G?

It is mandatory for all CSO's registering with India Cares to have a valid 12A & 80G registrations.

***Our final Tip:** if you feel nervous when making asks in-person or on the phone, the best way to get more comfortable is to practice. This means running through ask conversations in your head, practicing in front of a mirror, and holding practice conversations with your friends or other staff members.*

If you noticed "ASK" is the most frequently used word, so this is the word to follow for the next two months! Happy Fundraising!
